

## Our Institutional Values

### Commitment –

- 1) Translate the vision and mission statement of the institution into action.
- 2) Focus on the student progression.
- 3) Constant and regular evaluation of our existing programmes and up-date the progress of our systems, services and policy matters.
- 4) Focus on the diversification of decision making process which is usually multi dimensional keeping in view all the stakeholders of the teaching learning process.

### Respect :

- 1) Collective decisions with all stakeholders.
- 2) Treat community / people with dignity and respect.
- 3) Professional ethics, courtesy and professional competence.

### Excellence :

- 1) Practice of equality in hiring facilities and services.
- 2) Striving for continuous improvement.
- 3) Apprehend the specific needs of the students and the faculty members and take decisions accordingly.
- 4) Promote a student friendly Teaching Learning process.
- 5) Promote an environment of collective decision making taking into account the interest of all the stakeholders.
- 6) Motivate inter-departmental collaboration.

### Accountability :

- 1) Personal and Professional growth of students as well as faculty members is given utmost attention.
- 2) Evolve a mechanism to continuously track the progress of our policies systems and goals.
- 3) Communicate our message of goodwill and social responsibility for the common good.

### Diversity :

- 1) Through our workforce we reflect the diversity of the community that we cater.
- 2) Display equal respect & unbiased treatment for all.
- 3) Identify, applaud and cherish the strength of diversity.
- 4) Communicate a message of appreciation of Unity in diversity, through our academic environment and accomplishments.
- 5) Reassuring strategies that amalgamate diversity - such topics for discussion in the classrooms.
